# Phaser® 3100MFP
Multifunction Laser Printer
Office productivity at your fingertips

Loaded with helpful features at a price that will surprise you, the Phaser 3100MFP multifunction laser printer brings powerful printing, copying, scanning and faxing within easy reach, right at your desktop. It's the ideal office solution for workgroups of 1 to 5 users.

More features, for less

- Print and copy speeds of 21 ppm — plus a fast first-page-out time — keep up with your busy pace.
- Scan directly to your computer in black-and-white and in color for easy access and organizing.
- Powerful character recognition software turns hard copies into editable electronic documents.
- High-end copy and print features like ID Card Copy and N-up simplify work processes.
- Toner save mode (ECO Mode) and Energy Star compliance benefit both the environment and your bottom line.

Total ease-of-use

- The simple front panel makes walkup functions and features an easy touch of a button.
- USB direct printing/scanning lets you save to or print directly from any USB memory drive — no computer needed.
- The intuitive, bi-directional print driver provides helpful device-status updates.
- Fax configuration includes a full keyboard for easy text entry.

Just the right fit

- The automatic document feeder configuration provides fast scanning, copying and faxing of multi-page jobs.
- A center output tray helps keep the device compact and desktop friendly.
- Paper capacity of 250 sheets means fewer interruptions to reload paper.
- The bypass tray allows single-sheet feeding of special media, like envelopes and heavier paper.
