### A compact, high-performance solution designed to increase your office productivity.

Fast and flexible, the Phaser 3122 delivers 22 high-quality (1200 x 600 dpi) letter-size pages per minute. It takes advantage of its 150 MHz processor and 8 MB of memory to provide a range of sophisticated features that will help everyone in your office get more done. And the compact design pays big dividends whenever office space is at a premium.

### Accelerate your office workflow.

With the Phaser 3122, even complex documents print quickly and easily. You'll produce professional-quality black-and-white documents every time, with the first page delivered in just 10 seconds. To reduce the time spent loading paper, the 3122 features an input tray capacity of up to 150 sheets.

### In addition, the Phaser 3122 offers:

- Job Cancel, a feature designed to save resources and time.
- Flexible connectivity: parallel or USB.
- 3,000 prints from a single print cartridge\*

### Superior performance at your fingertips.

The Phaser 3122 lets your office take on a variety of jobs requiring different media sizes and types, everything from labels and postcards to transparencies. You can even print envelopes from the single sheet bypass tray. And you have your choice of sophisticated yet easy-to-use features, including posters, watermarks, N-up, booklet printing, and manual duplex.

\* Print Cartridge Yields: Declared yield values in accordance with ISO/IEC 19752
