CHARACTERISTICS

Xerox Phaser 3420 is a monochrome laser printer designed for the individual and professional needs. Its printing speed is one of its several advantages. Xerox Phaser 3420 prints as fast as 21 pages per minute and its first out page time is only 13 seconds. This means greater productivity for you and your organization. Furthermore, Phaser 3420 has a toner saving option which reduces operational costs.

Another important feature is the 1200 dpi image quality, which gives professional quality to your documents every time. Phaser 3420 prints a wide variety of media to fulfill with your printing needs.

- High speed, greater productivity
- 21 pages per minute
