Xerox® ColorQube® 8900
Color Multifunction Printer

Workgroup Performance
Plus Real Color Savings
To help compete and win, your business technology needs to do more – for less. Your busy office demands solutions that simplify processes so that people can work more productively. And you need those solutions to be affordable.

That takes a technology partner who understands that success is measured by results. One who builds a total solution around your needs and finds answers that meet your performance goals. Giving you innovative ways to maximize efficiency and minimize cost.

Our solution: Xerox® ConnectKey Technology and our Xerox® ColorQube® 8900 Color Multifunction Printer. High-impact color at a low-impact price.
Great color, great savings.

Print Impressive color every day. Now you can afford to add the power of color to everything you print. Your documents will get noticed with the vibrant, glossy colors of the Xerox® ColorQube® 8900.

- **Make every document stand out.** Unlike laser printers, Solid Ink’s printing process fills the gaps in your chosen media to create a new surface, while delivering a more consistent dot shape for superior print-quality uniformity and brilliant, saturated color.

- **Match your expectations.** PANTONE® calibrated color simulations and Xerox® color correction technology provide easy tools for precisely matching the colors of important business assets, such as your company logo.

- **Flexible print speeds.** Choose the perfect combination of image quality and speed for any printing situation with four different print settings – High Resolution, Enhanced, Standard and Fast Color.

- **The print volume advantage.** If your workgroup prints at least six reams of paper each month, the ColorQube 8900 will deliver unmatched total cost of ownership.

- **Unique price plans deliver big savings.** No more paying expensive color prices for small amounts of color. With the ColorQube 8900 Hybrid Color Plan, you pay based on the amount of color on the page. On most color pages, your price will drop significantly.

---

**Hybrid Color Plan**

If you like the simplicity of metered billing, take advantage of high-impact color with the Hybrid Color Plan. It classifies documents based on the actual amount of color used – no more paying full-color prices for low-color documents.

The three tiers of the Hybrid Color Plan:

- **Black + Useful Color.** Billed at the black-only rate.
- **Everyday Color.** Billed at slightly more than the black-only rate.
- **Expressive Color.** Billed at the current market rate for color.

---

**Typical Office Document Color Distribution**

Office color documents can be classified by the amount of color used. According to Xerox® research*, the breakdown of color documents in a typical office environment is:

- **30%** Black and Useful Color
- **30%** Expressive Color
- **40%** Everyday Color

---

* Research taken from actual user data in 2009.
Enhance your business with advanced ease-of-use.

A smarter, faster way to work, in and out of the office. Experience convenience and increased uptime with Xerox® Solid Ink. Gain features and capabilities that improve the way you create and share office documents.

- **Fast results.** Get your jobs out as fast as 44 ppm color and black-and-white, with a first-page-out time as fast as 8.5 seconds for color documents. Plus, two-sided printing comes standard – and saves paper.
- **Easy expandability.** Experience longer print runs when you increase paper capacity to 3,475 sheets of letter, A4 or legal-size media. Add the 650-sheet finisher and get 50-sheet stapling plus offset stacking.
- **Cartridge-free technology.** Recover valuable office space with minimal storage required for Solid Ink’s compact packaging and single replaceable component.
- **Helpful walk-up features.** Embedded help videos provide quick troubleshooting assistance right on the front panel.
- **Remote monitoring and management.** The Remote Control Panel feature lets you operate the Xerox® ColorQube® 8900 device’s user interface from any office workstation as though you were standing at the device. Remotely train users and configure device settings with the peace of mind that integrated security allows only a single authorized operation at a time to prevent multiple remote procedures.
- **Single Touch Scanning.** Use the Single Touch Scan feature to create a dedicated, easy-to-locate scan button directly on the color touch screen interface. Assign the Single Touch Scan button its own scanning workflow for fast document distribution and archiving.
- **Walk-up convenience.** Scan to and print from a standard USB memory device for information at your fingertips.
- **No more obstacles.** Enhanced address book with favorites lets you seamlessly import your existing contacts and roll them out to multiple ConnectKey enabled MFPs.
- **Apple® AirPrint™.** Print email, photos and important office documents directly from your Apple iPhone® or iPad® with no drivers to install.
- **Mopria® certified.** Mopria certification simplifies the mobile printing experience for tablets and smartphones to many printing devices, including the ColorQube 8900.

**Easy Ink Loading**

Each Solid Ink stick is uniquely shaped to fit the correct slot, making ink loading fast, easy and clean.
Environmentally conscious design.

Give your company’s sustainability efforts a boost, while enhancing its image with color. The Xerox® ColorQube® 8900 comes standard with features focused on energy and supplies conservation.

- **Less waste.** Solid Ink sticks avoid the cartridge and the extra packaging, creating up to 90% less printing waste versus comparable laser devices.

- **Fewer consumables.** The long-life Cleaning Unit has an average life of up to 30,000 prints, is the only replaceable component, and can be recycled through the Xerox® Green World Alliance program (visit www.xerox.com/gwa for more information).

- **Non-toxic and mess-free.** Xerox® Solid Ink is safe to handle and won’t leave messy stains when loading into the device.

- **Bio-derived ink.** Xerox® Solid Ink has been certified to have 30% bio-derived renewable material content by the National Association of Printing Ink Manufacturers (NAPIM).

- **Print responsibly.** Get the same vibrant prints on recycled media. Look for choices for paper and media with post-consumer recycled content and paper that adheres to internationally recognized standards for sustainable forestry management. Plus, Earth Smart driver settings allow you to select default settings, such as printing on both sides, that encourage responsible usage.

- **Ready when you are.** Intelligent Ready technology learns your usage patterns so it is ready to print when you need it.

- **Demonstrated leadership in sustainability.** Xerox’s longstanding focus on environmental sustainability has diverted over two billion pounds of waste from landfills through our Product Take-back and Recycling Program. (visit www.xerox.com/environment to learn more).

---

**Solid Ink Waste vs. Laser Waste**

Cartridge-free Solid Ink is a true consumable; no empty toner cartridges to dispose or recycle. The ColorQube 8900 produces up to 90 percent less waste during use than a comparable laser device.

Total waste produced from printing 4,000 pages per month for 4 years.
Powerful Partnerships

The ColorQube 8900 includes McAfee® technology integration powered by Intel Security, resulting in the industry’s first lineup of multifunction printers that protect themselves from potential outside threats. McAfee’s whitelisting technology ensures only safe, pre-approved files or functions are executed on your devices, minimizing the need to manually update software levels against new security threats. Also, seamless integration with the Xerox Managed Print Services toolset and McAfee ePolicy (ePO) allows for easy tracking and monitoring.

Plus, automatic Cisco® TrustSec Identity Services Engine (ISE) integration provides comprehensive visibility of all ConnectKey enabled MFPs’ endpoints to enforce IT-centric security policies and compliance.

• Protect your confidential information. Safeguard all sensitive data with encrypted PDF files for scanning; complete hard drive encryption, compliant with the 256-bit AES FIPS 140-2 standard; and Hard Drive Image Overwrite with a 3-pass scrub process to ensure total deletion of all data fragments.

• Prevent unauthorized access. Permit only authorized users to access the device with Xerox user permissions, network authentication, IP filtering, and smart card, role-based and function-level login.

• Manage threats proactively. As new threats emerge, Xerox proactively monitors security clearinghouses for new vulnerabilities and provides patches when necessary, ensuring your equipment stays current and your data is kept safe. Plus, you can receive up-to-the-minute updates via RSS feeds and stay informed via www.xerox.com/security.

• Stay compliant with regulations. Xerox® ColorQube® 8900 Color Multifunction Printers comply with the latest security standards across industries, including government, finance and healthcare. These include Common Criteria, HIPAA, Data Protection Act, COBIT and more. These devices can conform to any standard, with controls available to match your needs.

• Gain complete visibility. Prevent IP theft and ensure non-repudiation by having total visibility into the device and network. With security policy management and tracking of all activity on the device with Audit Log, you can know who accessed what, when and details of every interaction with the device.

Cutting edge security.

Protecting sensitive information is critical in business today. Minimize your risks by protecting vulnerable access points and critical business information with the most complete set of features, technologies and solutions from security-industry leaders.
Xerox® ColorQube® 8900 Optimized for:

- Sustainability
- Security
- Solutions
- Networking
- Cost
- Scanning

1. 50-sheet Duplex Automatic Document Feeder accepts custom media sizes from 5.8 x 8.3 in. to 8.5 x 14 in. (148 x 210 mm to 216 x 356 mm).
2. 100-sheet Multipurpose Tray handles custom media sizes from 3 x 5 in. to 8.5 x 14 in. (76 x 127 mm to 216 x 356 mm).
3. Standard 525-sheet paper tray handles media sizes from 5.8 x 8.3 in. to 8.5 x 14 in. (148 x 210 mm to 216 x 356 mm).
4. Choose 2 additional 525-sheet paper trays for media sizes from 5.8 x 8.3 in. to 8.5 x 14 in. (148 x 210 mm to 216 x 356 mm) (optional).
5. For high-volume workgroups, add a 1,800-sheet letter/A4-size High-Capacity Feeder (optional).
6. Standard Convenience Stapler staples up to 20 sheets of 20 lb. bond/75 gsm media.
7. 650-sheet Finisher provides up to 50-sheet stapling and offset stacking (optional).

Powerful solutions that help you connect in the office or on the go.

Xerox® Mobile Link App
Scan, email and fax from your phone or tablet by connecting with our multifunction printers and send data to and print data from cloud storage. It’s easy to create Mobile Link One-Touch Workflows between a mobile device and a multifunction printer. Using a manual address or QR code identification for pairing, automatic device discovery makes it easy to find and pair a mobile device with a nearby Xerox® multifunction printer.

Mobility Made Easy
Xerox® Mobile Print takes the mystery and anxiety out of wireless and mobile device printing. Xerox® Mobile Print enables secure, accurate printing from most mobile devices to any printer or multifunction device, regardless of brand. Get industry-leading accuracy when printing native PowerPoint, Word and other standard files. Learn more about why Xerox is the only choice for today’s mobile professionals by visiting www.xerox.com/mobile.

Streamline Your Unique Business Workflows
Transform the way your organization gets vital work done with the power of Xerox® Workflow Solutions, built on our Xerox Extensible Interface Platform®. Create simplified workflows that integrate with your back-office applications through solutions you access right from any ColorQube 8900 device’s color touch screen control panel.

- Xerox® ConnectKey® for DocuShare®. Scan files directly into Xerox® DocuShare®. Plus, you’ll go beyond basic file storage and PDF creation by automatically converting documents to intelligent, structured data with easy file naming and routing tools.

Xerox® ColorQube® 8900

The ColorQube 8900 Color Multifunction Printer is built on Xerox® ConnectKey® Technology. For more information, go to www.connectkey.com.

### Device Specifications

<table>
<thead>
<tr>
<th>Feature</th>
<th>ColorQube 8900</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Speed</strong></td>
<td>Fast: Up to 44 ppm color and black-and-white; <strong>Standard</strong>: Up to 30 ppm color and black-and-white; <strong>Enhanced</strong>: Up to 19 ppm color and black-and-white; <strong>High Resolution</strong>: Up to 6 ppm color and black-and-white (Letter/A4)</td>
</tr>
<tr>
<td><strong>Duty Cycle</strong></td>
<td>Up to 120,000 pages / month¹</td>
</tr>
<tr>
<td><strong>Hard Drive / Processor / Memory</strong></td>
<td>80 GB / 133 GHz Dual-core / 1 GB</td>
</tr>
<tr>
<td><strong>Connectivity</strong></td>
<td>10/100/1000Base-T Ethernet, High-Speed USB 2.0 Direct Print, Optional Wi-Fi (with Xerox® USB Wireless Adapter)</td>
</tr>
<tr>
<td><strong>Controller Features</strong></td>
<td>Unified Address Book, Remote Control Panel, Online Support (accessed from the user interface and print driver), Configuration Cloning, 2 Additional Trays: 525 sheets; Sizes: 5.8 x 8.3 in. to 8.5 x 14 in. / 148 x 210 mm to 216 x 356 mm</td>
</tr>
<tr>
<td><strong>Copy / Print Resolution</strong></td>
<td>Copy: Up to 120,000 pages / month; Print: Up to Xerox® 2400 FinePoint®</td>
</tr>
<tr>
<td><strong>First-print-out Time (as fast as)</strong></td>
<td>Copy: As fast as 16 seconds color / 16 seconds black-and-white; Print: As fast as 8.5 seconds color</td>
</tr>
<tr>
<td><strong>Page Description Languages</strong></td>
<td>Adobe® PostScript® 3®, PDF, PCL® 5c / PCL 6, XML Paper Specification (XPS)</td>
</tr>
<tr>
<td><strong>Print Features</strong></td>
<td>Print from USB, Earth Smart Driver Settings, Job Identification, Booklet Creation, Store and Recall Driver Settings, Bi-directional Status, Job Monitoring, Color By Words, Print Around, Sample Set, Smart Duplex, Automatic Two-sided, Automatic Color Correction, Custom Color Correction, Spot Color Matching</td>
</tr>
<tr>
<td><strong>Mobile Printing and Apps</strong></td>
<td>Standard: Apple® AirPrint®, Mopria® certified; Free Download: Xerox® Mobile Link App, Xerox® Print Service Plug-in for Android®; Optional: Xerox® Mobile Print, Xerox® Mobile Print Cloud</td>
</tr>
<tr>
<td><strong>Scan</strong></td>
<td>Standard: Destinations: Scan to Mailbox, Scan to USB, Scan to Email, Scan to Network. <strong>File Formats</strong>: PDF, PDF/A, XPS, JPEG, TIFF; <strong>Convenience Features</strong>: Scan to Home, Single Touch Scan, Searchable PDF, Single/Multiple-Page PDF / XPS / TIFF, Encrypted / Password Protected PDF, Linearized PDF / PDF/A</td>
