

Black and white or colour. It's your choice.

A colourful new way to get more work done.

Get the simplicity of black and white features plus one-step high-impact colour.

- Features traditionally found only on black and white copiers – electronic sorting, booklet creation, queue management, build job and more – are now standard on a colour copier
- Technology that optimises, simplifies and adjusts automatically to ensure perfect colour
- Handles lightweight to heavyweight office paper in virtually any size or shape
- Upgrade when the time is right. Choose the optional WorkCentre® Pro upgrade and your CopyCentre™ becomes a network multifunction system with printing and optional scanning, e-mail and fax
