## Digital Copier

### **Simplify. Streamline.**

For offices of every size and workgroups with average volumes ranging from 4,000 to 10,000 Copies per month, the Xerox CopyCentre 518 Digital copier can handle all of your daily document needs. It offers:

- Exceptional print quality for text and photos, at 600 x 1,800 dots per inch (dpi) and 256 levels of grayscale.
- Copying speed of 18 pages per minute A4 Size.
- Complete A3/11 x 17" input/ output capability.

### **Outstanding image quality, page after page.**

When you go digital, you get reliable image quality whether you're copying text or complex graphics. Xerox's digital technology delivers:

- Benchmark resolution of 600 x 1800 dpi.
- 256 levels of grayscale, for excellent reproductions of photos and halftones.
- Automatic image quality mode, for originals with mixed text and graphics or colored backgrounds.
- Photo mode, to provide greater detail when you're copying photos.
- Text mode, for easy-to-read pages of crisp, clear text.
- Toner Saver, to save toner consumption when you're making draft or internal copies.
