"Most Deserving Small Business" Office Makeover Contest

(Valid in the continental U.S. only)

Are you relying on yesterday's technology to meet today's business demands? Do you consistently give back to your community? If so, enter Xerox and *Entrepreneur* magazine's "Most Deserving Small Business" makeover contest. You could win new Xerox office technology, HON furniture, and design services from Thom Filicia, interior design specialist on NBC/Bravo's Emmy Award-winning show *Queer Eye for the Straight Guy*. Entries must be received by June 30, 2005.
