DOCUCOLOR 2006

PRINTER/COPIER

The DocuColor 2006 Printer/Copier from Xerox gives you top quality prints *and* copies— together in a single, high-performance solution.
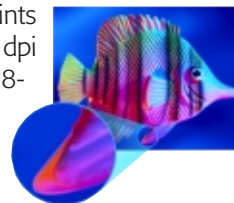

Built for color-intensive environments where image is everything, it is the ultimate printing, copying, proofing, and comping tool. It has the range to handle any challenge: copying, two-sided printing, full tabloid-bleed page size, and media as varied as heavyweight, coated gloss and transparencies.

Whether you need professional-quality proofs, brochures, posters, presentatons or reports, the DocuColor 2006 Printer/ Copier delivers.
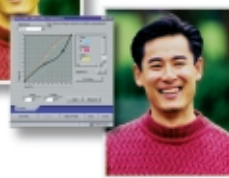

outstanding image quality

The DocuColor 2006 prints and copies at 600 x 600 dpi resolution enhanced by 8-bit color depth per pixel for precise continuous-tone quality.

Advanced color matching technology, independent RGB, CMYK and Pantone color workflow, and Automatic Pantone Color Calibration with embedded color dictionaries are included for easy and precise color rendering.

Automatic internal density control assures consistent color without user intervention. VisualCal print adjustments and densitometer-based calibration methods are available for more demanding needs.

Xerox patented Intermediate Belt Technology (previously reserved for our highest-end digital presses) guarantees perfect color registration and paper weight flexibility.

advanced performance on your network

Print and copy at speeds of 6 ppm color/26 ppm black and white.

The DocuColor 2006 integrates seamlessly onto your network. Parallel and 10/100BaseTX Ethernet are standard.

Powerful embedded 266 MHz controller and standard 64 Mbytes of RAM (expandable to 512 Mbytes).

High duty cycle ensures maximum productivity and easy-to-replace cartridges and waste containers increase uptime.

Advanced technology and simple, modular design make the DocuColor 2006 extremely reliable.

easy to use print and copy features

At the desktop or at the device, the DocuColor 2006 is intuitive and easy to operate.

Web-based printer administration lets you view job status, manage print queues and access drivers and printer support.

Printing capabilities like Document Set printing, electronic collation, Spool-Hold-Print queues (with thumbnail viewing and editing options), and direct PDF and PostScript downloading streamline your workflow.

Extensive copy features include zoom magnification from 25 to 400%, auto reduction/enlargement, auto document size sensing, auto color selection, and border/center erase.

exceptional versatility

Extensive media flexibility lets you print and copy everything in-house. Paper weights from 20 to 110 lb (64 to 220gsm), page size up to 13 x 18 in (330 x 457mm).

Fully-integrated copier/ scanner ❶ is easy to use and provides common copying capabilities at your fingertips.

Automatic 2-sided printing option ❷ (standard on the 2006DPC) makes brochure printing fast and easy.

Standard paper capacity of 250-sheet universal tray ❸, 150-sheet bypass tray ❹ and 2-tray 1,000-sheet high-capacity feeder ❺ for a total of 1,400 sheets.

Automatic Document Feeder ❻ (standard on the 2006DPC) adds productivity and flexibility.

Optional Sorter/Stacker ❼ collates jobs for easy pick-up and distribution-ready documents.

DocuColor 2006DPC configuration includes copier/scanner, 128 MB RAM, automatic 2-sided printing, internal hard disk, 1,000-sheet high capacity feeder, automatic document feeder, and optional 10-bin sorter/stacker.
