Xerox 8264E™
Color Wide Format Printer
Great performance leads
to big returns.

Boost your productivity and profitability one print at a time.

Introducing the versatile and productive Xerox 8264E™ Color Wide Format Printer. With its ability to print up to 63.6", variety of media, optional motorized winder/unwinder, and 172 ft²/hr print speed capability, you can produce more posters, signage, banners, POS displays, graphics, and other wide format applications in a shift than you ever thought possible.

The speed and image quality you need. If you're looking for a color wide format printer that prints quickly without sacrificing image quality, the 8264E is right for you. By combining Piezo-electric, Drop-on-Demand inkjet heads, Dynamic Variable Dot Imaging and Intelligent Interweaving Print Technology, you achieve increased performance with faster print speeds. This also enables you to produce bold, sharp color images with smooth gradations and fine details in highlight areas with minimized banding and mottling, while saving on ink usage versus fixed-dot inkjet technology.

More volume.

The faster you can print jobs, the more jobs you can get through on a daily basis. Whether they're producing indoor or outdoor graphics, your customers will appreciate the fast turnaround, great image quality, and outstanding durability—increasing their loyalty and your profits.

More versatility.

Print high-quality, durable images on everything from affordable uncoated PVC and banner media, to more costly coated materials. Since our new Eco-Solvent Ultra CMYK Inks are based on non-aggressive solvents, they're safe in any environment. Plus, they're UV and water-resistant for up to three years outdoors and highly resistant to scratching, smearing, and cracking.

More value.

Intelligent Interweaving Print Technology, Dynamic Variable Dot Imaging Technology, and Piezo-electric Drop-on-Demand inkjet heads let you print sharp images using less ink, while the optional motorized winder/unwinder and automated self-maintenance systems keep operator intervention at a minimum—so you can enjoy enhanced productivity across your entire organization.

The total support you need.

Xerox supports your entire solution, from printer to media and consumables. A worldwide network of service professionals is always ready to help you make the most of your Xerox solution, and help you grow your business.

Our guarantee is one of the best in the industry. The Xerox Total Satisfaction Guarantee applies to equipment under a Xerox warranty or Xerox maintenance agreement, subject to certain restrictions.

Improve your bottom line by producing a variety of color wide format applications, including:
