

Imagine never needing to
order printer supplies again.

Introducing Xerox® Supplies Service

Make office life easier with Xerox® Supplies Service and save up to 25% on your printer consumables.

Introducing a new way to simplify printer supplies replenishment without cost or obligation.

How Xerox® Supplies Service Works

Three steps to supplies replenishment with our cloud-based monitor/manage/deliver solution.

1. Monitor

With the secure Xerox® Discovery Agent software installed on your network, your supplies representative will remotely monitor the supplies status for all your networked printers.

2. Manage

Your printer signals that a consumable is running low.

- Xerox® Supplies Service assesses the remaining life and identifies the best quality/cost-optimised replacement.

3. Deliver

With Xerox® Supplies Service intelligent ordering, your printer supplies arrive at just the right time.

- No storing supplies
- No risk of running out

Real time savings. Real money savings. Real easy.

The right supplies, for the right printers, at the right time – every time, without contract obligation.

Xerox® Supplies Service makes office life simpler.

- Monitors all major laser and ink jet printer brands/models on your network – so you don't have to.
- Provides alerts when supplies and service are needed.
- Delivery at just the right time – eliminates needing to stock printer supplies and saves you inventory costs.
- Simplifies your printer supplies replenishment process while reducing costs – all without contract obligation.
- Allows you to benefit from more uptime – keep the team working with fewer hassles.

Xerox® Supplies Service features Xerox® brand cartridges for HP, Brother, Lexmark, Kyocera and more.

- Covers more than 700 printer models – 85% of the A4 printers – and growing.

Lower your total cost of printing. Spend less, get more.

- Save 25% over the cost of HP®, Brother®, Lexmark™, Kyocera®, OKI®, Canon®, EPSON®, IBM® Infoprint® and Panasonic® cartridges.
- Xerox® cartridges deliver page yields equivalent or higher than the manufacturers'.

Confidence: Worry-free printing, page after page.

Using Xerox® cartridges does not invalidate the printer warranty.

- Each cartridge bears a 100% lifetime warranty.
- Pan-European end-user technical helpline.
- Trust the Xerox® Brand – the only credible alternative in the marketplace to OEMs.

Xerox® brand toner cartridges for your HP, Brother, Lexmark, Kyocera, IBM, Canon, EPSON, OKI and Panasonic printers.

Saving money has never been easier.

Savings and Simplification with Xerox® Supplies Service

Let Xerox and your trusted supplies representative monitor and manage your toner and ink usage remotely, and say goodbye to deadline dramas, stocking problems and other operational headaches.

It takes a lot of time, effort and planning to keep your fleet of printers well supplied with inks and toners. Sometimes it can be a balancing act.

Why invest in expensive supplies that may sit on the shelf for months – or risk waiting until it's too late – when you can benefit from “right on time” delivery of supplies based on your actual usage?

Spend less time worrying about printer supplies, and more time focused on your business.
