

North American Resellers Distribution Partners

The Following Statements Have Been Provided By Our Distribution Partners:

INGRAM MICRO Ingram Micro Inc., the largest global wholesale provider of technology products and supply chain management services, was ranked 49th in the 2001 FORTUNE 500 listing of America's largest publicly traded companies and 121st on the publication's Global 500 listing. Ingram Micro provides leadership in bringing emerging technology solutions to market and providing value-added services such as market development programs, technical support and financing to enhance business opportunities for both customers and vendors. Ingram Micro provides world-class logistics management solutions and achieves industry-leading fill rates, at better than 99% accuracy for U.S. order deliveries, improving efficiency and providing lower cost supply chain structures for its customers. For more information about Ingram Micro, call 1 (800) 456-8000 or visit our Web site at www.ingrammicro.com US or Canada.

SYNNEX Information Technologies, Inc., founded in 1980, is an information technology (IT) design-to-distribution services company which provides comprehensive range of offerings to original equipment manufacturers (OEMs) and value-added resellers (VARs). The company has built a solid reputation as an outsourcing partner, providing customized, fully integrated computing solutions to its customers. Our design-to-distribution services include design, engineering and manufacturing services, IT distribution, marketing, logistics and customer support services, and information technology support services. SYNNEX's model streamlines processes and reduces the number of intermediaries throughout the supply chain, thus providing much greater efficiencies in time to market and cost. Visit Synnex at www.synnex.com or call (800) 756-9888. US and Canada.

Tech Data Corporation (NASDAQ/ NMS: TECD), founded in 1974, is a leading global provider of IT products, logistics management and other value-added services. The Fortune 500 company and its subsidiaries serve more than 100,000 technology resellers in the U.S., Canada, the Caribbean, Latin America, Europe and the Middle East. Tech Data's extensive service offerings includes pre- and post-sale training and technical support, financing options, configuration and assembly services as well as a full range of award-winning electronic commerce solutions. The company generated sales of \$17 billion for the fiscal year ending January 31, 2000. Visit Tech Data at www.techdata.com or call 800-237-8931. U.S. and Canada.

United Stationers Supply Co., along with its Azerty division in the U.S. and affiliates in Canada and Mexico, are a key wholesale resource for business products resellers of every orientation throughout North America. The scope of that resource includes a combined product offering of some 35,000 products from 500 manufacturers, available through 40 distribution centers, as well as next day delivery, logistics and technology solutions, and marketing programs that help resellers define and capture multiple markets. United Stationers' product focus includes office supplies, furniture, breakroom supplies, janitorial & sanitation needs, presentation products and computer supplies. Azerty offers a broader offering of computer supply consumables, computer hardware and accessories. For more information about United Stationers Supply Co., visit www.usasco.com, or call 800-733-4000. For more information about Azerty, visit www.azerty.com, or call 800-888-8080.
