Superior productivity through leading-edge simplicity.

xerox®

Empowering a higher level of productivity requires a new mindset. You need an office technology solution that simply gets it done, behind the scenes, and frees your staff to work the way they want, while focusing on the work that really matters.

You need a new kind of simplicity that streamlines department-level workloads, plus the advanced capabilities that enable your team to work more cost-effectively, more securely and with greater flexibility.

You need the solutions built on Xerox® ConnectKey® Technology and our WorkCentre® 5865/5875/5890.

A new way of working.

Large work groups succeed because they're productive, flexible and reliable.
You need an office technology solution that matches those strengths. Which is why we designed the Xerox® WorkCentre® 5865/5875/5890 with a powerful mix of features and capabilities that handle your heavy workload in ways you never imagined.

- **Great features – your choice of speeds.** At up to 65, 75 or 90 ppm, there's more than enough speed to meet your department-level workload. However, if your business demands work group productivity, consider the fast but lower speed models in the WorkCentre 5945/5955 for great performance up to 55 ppm.

- **Scanning at up to 200 images per minute (duplex speed).** Single-pass colour scanning enables faster electronic distribution of full-colour documents for more effective and impressive communications.

- **Illuminated Paper Path.** The WorkCentre 5865/5875/5890 features an illuminated paper path, which makes user access even easier.

- **Higher paper capacity,** more flexibility. Print more for longer with a total paper capacity of up to 8,700 sheets. Multiple finishing options, from basic to advanced, give you the flexibility your workload requires.

- **Exceptional print and copy quality.** With superior fine-line definition, shadows and highlights, your copies truly look like the original.

- **Walk-up simplicity.** Print from and scan to any USB memory device for faster document delivery when you're not at your computer.

- **Your print job, your priority.** The Print Around feature eliminates extended printing delays by holding a job in need of resources (such as a different paper size) and printing the next job in the queue.

Single Touch Scan

Use the Single Touch Scan feature to create a dedicated, easy-to-locate scan button directly on the colour touch screen interface. Assign the Single Touch Scan button its own scanning workflow for fast document distribution and archiving.

3

The new standard of simplicity.

With the right tools, large work groups will function more efficiently and excel at the work that really matters. Rest assured, the Xerox® WorkCentre® 5865/5875/5890 simplifies complex tasks with a solution that works the way you do.

Conservation Built-in

Get a powerful multifunction printer that includes environmental features.

- Power save with quick start-up conserves electricity during downtime while keeping the device ready for action.
- Full compliance with the EU Restriction of Hazardous Substances (RoHS) Directive, ECOLOGO® and the stringent ENERGY STAR® TEC Version 1.2 standards.
- Multiple print settings are available to reduce impact on the environment. Options include default two-sided printing, proof print, printing on recycled paper and draft mode.
- Innovative Earth Smart print driver settings enable the most environmentally conscious print options.

- **Leading-edge colour touch screen user interface.** Provides the comfortable look and feel Xerox is known for and features bright, intuitive icons and easy access to all major functions directly from the home screen.

- **Less user intervention means less downtime.** Our new, more efficient toner lasts longer and can be replaced quickly by any user and provides superior image quality.

- **Helpful walk-up features.** Embedded help videos provide quick troubleshooting assistance right on the front panel.

- **Xerox® Online Support.** Stay up and running with instant access to searchable online help right at the device's front panel or in the print driver. You get the same information our Product Support Specialists use when resolving printer problems, assisting with error codes, print quality, media jams, software installation and more.

- **A truly universal print driver**. Xerox® Global Print Driver® lets IT administrators install, upgrade and manage Xerox® and non-Xerox® devices from a single driver. It provides a consistent, easy-to-use interface for end-users, reducing the number of support calls, and simplifying print services management.

- **Advanced copy and print features.** The WorkCentre 5865/5875/5890 greatly simplifies everyday office tasks, providing support for specialised print applications including Annotation, Bates Stamping, tab print capability and page-level programming.

- **Consistent user experience**. The WorkCentre 5865/5875/5890 features the same technology as our latest A3 multifunction printers, making users more comfortable operating the devices because of their common look and feel. Don't risk your sensitive information.

Working at peak performance means nothing if the data that's critical to the success of your business isn't fully safeguarded. That's why the Xerox® WorkCentre® 5865/5875/5890 boasts the most complete range of advanced features, technologies and solutions from security-industry leaders that ensure comprehensive 24/7 protection.

- **Protect your confidential information.** Safeguard all sensitive data with encrypted PDF files for scanning; hard drive encryption, compliant with the 256-bit AES FIPS 140-2 standard; and Image Overwrite with a 3-pass scrub process to ensure total deletion of all data fragments.

- **Prevent unauthorised access.** Prevent unauthorised access to the device by using network authentication with or without convenience authentication via Magstripe, proximity and Smart card (CAC/PIV/.Net) readers, Xerox® user permissions role-based and function-level login and IP Filtering.

- **Proactive threat management.** Monitors new vulnerabilities and provides patches when necessary, ensuring your equipment stays current and your data is kept safe. Plus, you can receive up-to-the-minute updates via RSS feeds and stay informed via **www.xerox.com/security**.

- **Stay compliant with regulations.** WorkCentre 5865/5875/5890 devices comply with the latest security standards across industries, including government, finance and healthcare. These include Common Criteria, HIPAA, Data Protection Act, COBIT and more. These devices can conform to any standard, with controls available to match your needs.

- **Gain complete visibility.** Prevent IP theft and ensure non-repudiation by having total visibility into the device and network. With security policy management and tracking of all activity on the device with Audit Log, you know who accessed what and when.

McAfee®   CISCO™

Powerful Partnerships

The WorkCentre 5865/5875/5890 include McAfee® technology integration, resulting in the industry's first line up of multifunction printers that protect themselves from potential outside threats. McAfee's whitelisting technology ensures only safe, pre-approved system files run on your devices, minimising the need to manually update software levels against new security threats. Also, seamless integration with the Xerox® Managed Print Services toolset and McAfee allows for easy tracking and monitoring.

Plus, automatic Cisco® TrustSec Identity Services Engine (ISE) integration provides comprehensive visibility of all ConnectKey® enabled multifunction printers' endpoints to enforce IT-centric security policies and compliance.

Real business for the real world.

Today's pace of business requires anytime, anywhere access to the technology that makes your work easier. Our mobile solutions empower today's professionals to get real work done in the office and on the go, providing the freedom and flexibility to keep pace with the demands of your business – wherever it takes you.

Remote Monitoring and Management

The Remote Control Panel feature lets you operate the WorkCentre 5865/5875/5890's user interface from any office workstation as though you were standing at the device. Remotely train users and configure device settings with the peace of mind that integrated security allows only a single authorised operation at a time to prevent multiple remote procedures.

The Freedom of Uninhibited Mobility

The Xerox® WorkCentre® 5865/5875/5890 gives your office staff the luxury of controlling device functions from any workstation. Plus, mobile professionals can access the communications tools and productivity solutions regardless of location.

- **Apple® AirPrint.** Print email, photos and important office documents directly from your Apple iPhone® or iPad® with no drivers to install and no cables to connect. With AirPrint, your iPhone or iPad automatically locates and connects to the AirPrint-enabled WorkCentre 5800 series device over your office Wi-Fi network.

- **Xerox® Mobile Print and more.** Xerox has all the options to enable secure, accurate printing from most mobile devices to any printer or multifunction printer, regardless of brand. Plus, Xerox offers IT-friendly optional capabilities such as PIN code access and multiple mobile operating systems. For more information, visit **www.xerox.com/mobile**.

- **Mopria™ certified.** Mopria certification simplifies the mobile printing experience for tablets and smartphones to many printing devices, including the WorkCentre 5800 Series.
