**Get down to business, easily and affordably**

**Quality streamlined**

- Compact design sits comfortably on your desktop or small workspace.
- Surprising speed for a small device: Up to 25 ppm (letter) / 24 ppm (A4).
- Crisp 1200 enhanced image quality printing for professional results.
- Easy connect with USB or Parallel ports.

**Easy operation**

- Install print drivers in four mouse clicks, add paper, and you're ready for any project.
- 250-sheet paper tray supports large print jobs without constant refilling.
- Status monitor alerts you if problems occur during printing.
- Tackle more projects with a range of features including watermark, N-up, and poster and booklet modes.

**Budget-friendly**

- Such a low price on a laser printer will surprise you.
- Auto Tray Selection and Job Cancel feature gets your job printed right the first time.
- Toner-saver mode reduces your cost per page.
