XEROX® WORKCENTRE® 6515 COLOR MULTIFUNCTION PRINTER

Our WorkCentre 6515 Color Multifunction Printer was awarded the Editor's Choice Award by Better Buys for Business. The winners of this award represent the top manufacturers in the industry. According to Better Buys for Business, "each award recipient not only offered the greatest value and functionality but also exhibited unique features." The real win for us is knowing our products make it easier for our customers to unleash their full business potential.

THIS IS WHAT THEY SAID ABOUT OUR WINNING PRODUCT:

According to Melissa Bunte Pardo of Better Buys for Business, the device features "A variety of apps for mobile printing, PANTONE® solid color simulation feature, choice of three sets of aftermarket toner cartridges."

Better Buys for Business Innovative Product of the Year awards were announced on February 13, 2017. Read the review [here](#).
