Connect any time, from anywhere and any device.

With the touch of a button, you can go to our Xerox App Gallery and download simple, yet powerful, serverless apps to your AltaLink color multifunction printer to increase user productivity and shorten everyday tasks.

Built-in mobile connectivity, including Near Field Communication (NFC) Tap-to-Pair, optional Wi-Fi Direct®, @PrintByXerox, Google Cloud Print™, Xerox® Print Service Plug-in for Android™ and Mopria® provides the time-saving convenience your workforce wants and needs.

Powerful and Scalable

Your workgroups operate more efficiently and effectively with AltaLink. Manage, monitor and upgrade your entire fleet with our Embedded Web Server, or provide interactive training and support right from your desktop with our remote user interface.

Fewer maintenance hassles, less IT support, high-capacity paper trays and the ability to print on varying paper sizes add up to increased uptime and greater productivity. Scanning, printing and faxing can be done simultaneously, allowing for multitasking during peak periods—and your choice of finishing options means you can configure your AltaLink device for any work environment and any document type, including booklets, brochures and pamphlets.

Built-in Security

The AltaLink C8000 Series Color Multifunction Printer provides the maximum level of security through our strategic approach to comprehensive security that prevents intrusions and keeps documents and data safe. Our partnerships with McAfee® and Cisco® proactively address risks at the fleet and individual device level.

Multiple layers of security include data encryption, disk overwrite and industry certifications. At the user level, Secure Print holds documents for release until they're ready to be retrieved at the device.

Color Where it Counts

With high resolution output of 1200 x 2400 dpi, photo-quality color images and crisp text will give your documents clarity and impact. You can also upgrade your AltaLink C8000 Series with our Xerox® EX-c C8000 Print Server Powered by Fiery®, enabling office users to quickly, efficiently and cost effectively print professional-looking documents.
