Xerox® Connect Apps for Microsoft Cloud Storage

Xerox® Connect Apps for Microsoft cloud services make it safe and easy to create highly efficient workflows by connecting your Xerox® ConnectKey® Technology-enabled devices to Microsoft Office 365 and OneDrive. Easily convert images to Word, Excel or text document, then scan directly to a cloud folder for easy sharing and collaboration or print documents stored in the cloud with just a few touches directly at the MFP.

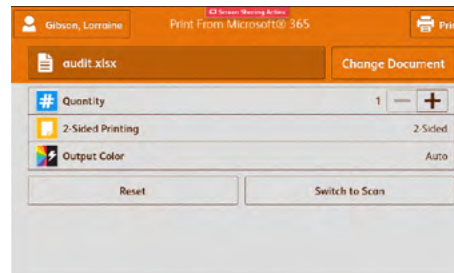

## LOGIN

Use your company's exchange credentials to access your files and folders.

## CONVERT/OCR

Convert paper documents to editable MS formats or searchable digital PDF files. Leverage state of the art OCR technology for storage and quick, reliable retrieval or to instantly reuse and edit.

## PRINT OR SCAN

Navigate to your folders, find files with enhanced search. Digitize hardcopy for easier access and choose one or multiple documents to quickly print.

## YOUR WORKPLACE ASSISTANT IS READY AND WAITING.

Streamline workflows and tame complex processes in any office setting with Xerox® ConnectKey® Technology-enabled devices and Apps for your workplace assistant.
