Xerox® C230 Color Printer and
Xerox® C235 Color Multifunction Printer

Do more wherever work gets done
Meet the Xerox® C230 Color Printer and Xerox® C235 Color Multifunction Printer

The future of work demands printers that are reliable, secure, and easy-to-use, especially for small- to medium-sized businesses (SMBs) and remote employees who need technology that works as hard as they do. Because the devices meant to support productivity should add convenience, not complexity.

Perfect for small work teams, home offices, and tight spaces, the Xerox® C230 Color Printer and C235 Color Multifunction Printer (MFP) deliver unparalleled dependability, performance, and economy without the frustration of long, complicated setup.

**SETUP IS A SNAP**
Get up and running without IT assistance with automated driver installation from the Xerox® Smart Start Software. Couple with simple Wi-Fi installation to connect to your home or company network for fast setup.

**HELLO, COLOR**
Enhance your day-to-day communications with vivid color that makes data easier to visualize, draws attention to key details, and adds more value.

**QUIET, COMPACT WORKHORSE**
Less space, less noise, and more performance with high-resolution output and fast print speeds that keep pace with your workflow. Scanning functionality on the C235 Color MFP makes it quick and easy to digitize your documents.

**PRINT HOW YOU PLEASE**
Built in Wi-Fi connectivity and mobile-ready features like Apple AirPrint, Mopria and Wi-Fi Direct® give you the flexibility to print wirelessly and securely from mobile devices, laptops, Chromebooks, or desktops.

**SECURITY MADE SIMPLE**
Comprehensive security features protect against rising and increasingly sophisticated cyber threats by safeguarding access and protecting sensitive data and documents.

**MORE UPTIME, LOWER COSTS, LESS WASTE**
Designed to deliver day-in, day-out dependability, the C230 Color Printer and C235 Color MFP deliver economical running costs with the choice of standard or high-yield toners.

Achieving EPEAT certification means these products meet comprehensive criteria for design, production, energy use, and recycling. And our Green World Alliance program offers hassle-free toner cartridge recycling.
Expand capabilities with the Xerox C235 Color Multifunction Printer.

When you need to scan documents to share with colleagues, make copies, or send a fax, the C235 does it all. The all-in-one device delivers functionality beyond print—without the extra expense or desk space of additional devices.

**Xerox® C235 Color Multifunction Printer**

**C235 KEY HIGHLIGHTS**
- Copy, scan, and fax capabilities
- Automatic Document Feeder and platen – up to 21 ppm
- Scan to email, USB, desktop
- Simple user experience
- New capabilities with optional Xerox® Workflow Central platform

**DO MORE WITH XEROX® WORKFLOW CENTRAL**

Small and mighty, there’s little the C235 MFP can’t do. Print, scan, copy, and fax — of course.

But how about being able to:
- convert your documents into other languages,
- change handwritten messages into shareable text documents,
- create audio files of your reports to listen to in the car,
- automatically redact content for confidentiality, or
- convert scans into Microsoft Office applications.

Find out what your new assistant could do at xerox.com/WorkflowCentral.

1. 250-sheet paper tray
2. Manual Feed Slot
3. C235 2.4-inch color touchscreen interface; C230 2-line LCD interface
4. 100-sheet output tray
5. 50-sheet automatic document feeder
6. Front-side USB port

Xerox® C230 Color Printer

**C230 KEY HIGHLIGHTS**
- 24 ppm color/B&W two-sided printing
- Compact footprint
- Built-in Wi-Fi connectivity with Wi-Fi Direct®
- AirPrint, Mopria and Chromebook printing
