

Xerox eConcierge®

We'll take care of it.

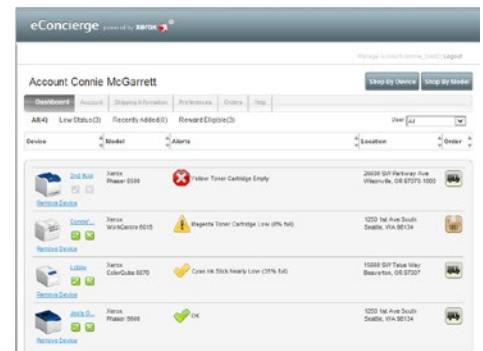

CUSTOMER BROCHURE

Most printers come with a limited warranty. Ours lasts a lifetime. The Xerox eConcierge® program provides free maintenance and repair of your printers — a \$1,675* benefit per printer. There's no contract. Simply sign up and let us take it from there.

HOW IT WORKS

1. Once you enroll in the Xerox eConcierge® Free Lifetime Warranty Program, you'll be prompted to download the Supplies Assistant.
2. The Supplies Assistant will monitor the supply levels of all the printers on your network and send you an automatic alert when they run low.

3. In 60 seconds and a few clicks your toner order is placed and on its way.
4. Activate your lifetime warranty simply by using eConcierge for a minimum of 30 days and by ordering two eligible supply items for each qualifying Xerox® printer.
5. Maintain your lifetime warranty by continuing to order supplies as needed through the eConcierge Supplies Assistant. It's that easy.

Contact your Xerox eConcierge provider for more information or visit xerox.com/eConcierge to get started.

* Average cost of extended service coverage for four years when purchased separately. Prices vary by model.
