UPDATED AUGUST 2020

Free extended service plus automatic monitoring and ordering of supplies. Who wouldn't want that?

## FREE EXTENDED SERVICE COVERAGE

The Xerox® printers listed below are eligible for the eConcierge Program.

Enroll in Xerox eConcierge® within the initial one-year warranty period. Once enrolled, activate your free service benefit simply by using the free eConcierge Supplies Assistant software for a minimum of 30 days and by ordering two eligible supply items for each qualifying Xerox® printer.

To maintain free service coverage for each eligible Xerox® product simply continue to place supplies orders through the Xerox eConcierge® service. Xerox reserves the right to discontinue the service coverage for a specific model at any time.
