

Xerox FreeColorPrinters Program

2013 Print Sample Calendar

People's Choice Winner
Congratulations to the Indianapolis Humane Society. Their work is featured in the July calendar.

Gypsy Theater Company LLC
“Before joining the Xerox FreeColorPrinters Program, our documents were lower quality and took a looong time to print. With our Phaser Printer, our documents are vibrant and eye-catching. We can print them in plenty of time for each production and not spend days waiting for them to be produced.”
– Mercury Aka

Happy New Year! Now is a great time to check out the wealth of resources and tools available on our web site—for free! Get tips on making your office more eco-friendly, building a better web site, improving time management, and much more:

Cloud Nine

“The very same day the printer arrived we were churning out holiday cards and invitations, and it hasn’t had a break since. Gone are the days of driving around to drop off and pick up jobs all over town. Now we’re able to provide same day service, when necessary, and—best of all—the money taken in for printing services stays in.”

— Joanne Monroe

Cost-saving tip: In the printing dialog box, look for an option to print multiple pages on one sheet. Also check to see if your print driver allows “N-up” printing, which lets you manually set the number of pages you’d like to print on a single page.

Artifact/McTaggart Design Group, Inc.

"The laser toners tend to 'harden' our pretty soft pastels into corporate looking shades, but not the Phaser's solid ink. We are also able to keep colors consistent across different types of paper: coated, label and even art papers."

– Kristy McTaggart

Alive Ministries

"We can print at the last minute, customize on the fly, and make color variations as necessary. In addition, it is so economical in comparison to out-sourcing print jobs. As a non-profit, this is imperative to the success of our ministry."

– Barbara Small

Lidtke Technologies/Bio Biochemical

"It's been over ten years, now, and we still love the convenience of the ColorQube technology. At the time we joined the program, there was a big gap between offset printing and the available desktop printers, and Xerox did a super job of filling that need. Our production of marketing materials skyrocketed!"

– Ron Sturtz

Cost-saving tip: Reduce supply costs by adjusting the print quality mode on your printer. Use Fast Color mode for rough drafts, and save Enhanced or High Resolution mode for those important presentations or photographs.

Yates County Arts Council

“As an arts center it is important that our marketing and informational material reflect the high quality of the work we do and the artists we represent. As a volunteer-driven nonprofit it’s essential that we produce this material as cost effectively as possible. Our Phaser printer enables us to affordably produce top quality promotional materials on demand, eliminating waste.”

– Kris Pearson

Summer is here and you may be planning office barbeques, potlucks, or other gatherings to celebrate the nice weather. Xerox FreeColorPrinters has free invitation templates to help with party planning. Just log into your member account to get started:

Humane Society of Indianapolis

“Due to the FreeColorPrinters program, we’ve been able to improve our high volume copying and fulfill high-volume, high-quality copy needs in-house. This has been especially helpful to IndyHumane since animal photos are often more stunning and impactful when printed in color.”

— Kristin Conrad

Statham Photography

“Before I got the Xerox Phaser 8560 I was printing on an inkjet printer. The print quality was good, but the print cost was very high. Then I tried a laser printer. The print cost was good but the print quality was terrible. The 8560 was just what I needed—good quality and low print cost!”

– Donna Statham

Cost-saving tip: Printing on both sides of the page is one of the easiest ways to print more efficiently and cut down on paper use. Make sure your default print setting enables two-sided printing and start saving!

Xerox FreeColorPrinters Program 2013 Print Sample Calendar

About the Print Sample Contest

The print sample contest began in 2002 and has since become an annual tradition. Members are invited to submit samples printed on their FreeColorPrinters product, along with a letter explaining how the color printer and program have made a difference within their organization. Each year we receive an assortment of colorful samples ranging from brochures to custom made invitations. Twelve winners are selected and their entries are compiled into a calendar, which is made available for free download on our member website.
