

Xerox® Instant Print Kiosk and Education

Universities and colleges are being faced with the need of offering more services to their students. The Xerox® Instant Print Kiosk can add scanning, faxing, and cloud services to the existing printing and copying facilities seamlessly.

Education Insights *

Overall state funding for public colleges in 2018 was more than \$7 billion below its 2008 level

44% of CFO's say they are confident their college will be financially stable over the next 10 years

23% of faculty staff cite "course compilation materials" as among the most inefficient processes

Xerox® Instant Print Kiosk for student and faculty use in Higher Education.	
 <p>MONITOR PRICING AS DESIRED</p> <p>Xerox® Instant Print Kiosk offers broad capabilities including print, copy, scan, email, fax and simple cloud workflows. Users can pay at the device by simply inserting a payment card. Campus has complete control over pricing levels based on their own profitability goals and student needs.</p>	 <p>NO LOCAL SUPPORT REQUIRED</p> <p>Xerox® Instant Print Kiosk is a completely self-contained, secure, self-service Kiosk. Users only requiring local support to refill paper and toners.</p>
 <p>FULL SUPPORT FOR EXISTING PAYMENT METHODS</p> <p>Xerox® Instant Print Kiosk is fully compatible with existing Campus payment infrastructures such as CBord™, Blackboard™, credit/debit cards, and gift cards. Students are free to use their campus cards on document services.</p>	 <p>ACCESS ANYWHERE ON THE CAMPUS</p> <p>Xerox® Instant Print Kiosk can be made available to all campus users (students, staff and visitors) and located anywhere with network access. Visitors can use their credit/debit cards or mobile payments* and do not need to register on the campus systems.</p> <p>*Mobile payments coming soon.</p>
<p>Xerox® Instant Print Kiosk uses existing Campus payment infrastructure reducing the need to add additional payment systems. Other solutions offer their own payment systems, adding complexity to the Campus systems.</p>	

Considerations

- How are students serviced today for printing/copying/scanning/faxing?
- How are staff document services provided? Xerox® Instant Print Kiosk allows staff to utilize the document services and bypass the payment systems.
- Support for CBord™ and Blackboard™ campus payment systems, along with GiftX and mobile payments.
- Campus visitors can easily access document services.
- Sites with existing Print Solutions are often restricted to registered users. Visitors to the Campus use Xerox® Instant Print Kiosk with no registration required.
- Xerox® Instant Print Kiosk integrates with existing campus payment infrastructure and brings more payment opportunities.
