Supplemental—for U.S. and Canada On-Site Service Agreement

Terms and Conditions

These terms and conditions are supplemental to the general terms and conditions for service agreements and specifically describe the on-site service program for those products that are eligible. These are applicable to the following services:

- Warranty conversion to on-site service
 - Extended on-site service
 - Annual on-site service
1. **Remedial Service.** In the event of product failure, Xerox will, at its option, repair the defective product by means of telephone support or on-site service at no charge for parts and labor or replace the product with a comparable product.
 - To obtain service under this Service Agreement, the Customer must first contact Xerox Telephone Support personnel or that of its authorized service representative. Telephone Support personnel will work to resolve issues professionally and quickly, however the Customer must reasonably assist Xerox or its authorized representative.
 - If telephone support is unsuccessful, Xerox or its authorized representative will repair the product on-site anywhere within the normal service area in the United States and Canada without charge for parts, labor or travel, or, at its option, Xerox may provide a comparable replacement product.
 2. **Product Location.** Products need to be located where they are easily accessible for service such that they do not affect the serviceability of the product. If Customer relocates product to Alaska or Hawaii, there will be an uplift charge.
 3. **Obligations of Customer.** Customer shall permit Xerox access to the products whenever service is required.
 - Customer shall ensure that the user cooperates with Xerox to the extent necessary to permit service to be performed efficiently and without interruption.
