Exceptional Monochrome Printer and MFP

Our VersaLink B600 and B605 were recognized as outstanding printer and MFP for large workgroups by Buyers Lab, the world's leading independent provider of testing services and analytical information to the document imaging industry. The real win for us is knowing our products make it easier for our customers to unleash their full business potential.

THIS IS WHAT THEY SAID ABOUT OUR WINNING PRODUCTS:

B600: The Xerox® VersaLink B600 provides peak productivity for large workgroups," said Marlene Orr, Director of Printer & MFP Analysis for Keypoint Intelligence – Buyers Lab.

B605: "Large workgroups can count on Xerox® VersaLink B605 devices to easily keep up with their high-volume demands," said Tony Maceri, Senior Test Technician for Keypoint Intelligence – Buyers Lab.

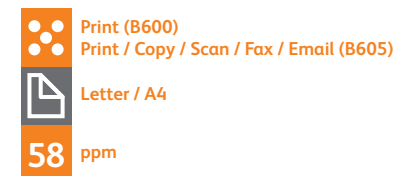

BLI's Winter 2018 Picks for Exceptional Monochrome Printer and MFP awards were announced on January 23, 2018. Read the announcement [here](#).
