

XEROX® VERSALINK® PRINTER AND MULTIFUNCTION PRINTER

The fast, friendly and well-connected workplace assistant.

B610/B615

ConnectKey®
Technology

Xerox® VersaLink® B610 Printer and Xerox® VersaLink® B615 Multifunction Printer

The fast, full-featured and office-friendly VersaLink B610/B615 is anything but your basic black and white device. In fact, VersaLink sets a new standard for what you can expect in work group productivity from Xerox. Home or away, this highly configurable, cloud-connected workplace assistant delivers completely new capabilities that go far beyond the competition – at a competitive price.

EASY, SMART AND SECURE.

Right out of the box, you'll count on your VersaLink B610 or B615 to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go – hassle free.

Completely re-engineered for superior reliability, the VersaLink B610 and B615 feature a new hardware design with fewer moving parts, strengthened paper-path components, and a more advanced Hi-Q LED print head.

VersaLink devices are loaded with features and time-saving Xerox technologies designed to speed up information sharing and reduce inefficient workflows. Ensure information accuracy with Scan and Fax preview¹, and do more with scanned documents with built-in optical character recognition (OCR)².

When it comes to safeguarding critical information, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

CUSTOMISABLE, APP-BASED FUNCTIONALITY.

With the customisable, capacitive 7-inch colour touchscreen (5-inch on the B610), you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Preloaded Xerox® ConnectKey® Apps help optimise office efficiency, and on-screen access to the extensive Xerox App Gallery provides expanded functionality – like the

optional Xerox® Easy Translator Service app², which quickly translates scanned documents into numerous languages.

Get more done in less time by creating customised 1-Touch Apps² to automate multi-step workflows for individuals or groups. Simply tap your new app to quickly perform the job you configured. And with Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure access to task-specific presets, individualised favourite contacts, and commonly used apps on a personalised home screen.

CLOUD AND MOBILE CONNECTIVITY.

The VersaLink B610 Printer and VersaLink B615 Multifunction Printer gives you the freedom to work where and how you want – with out-of-the-box³ connectivity to Google Drive™, Microsoft® OneDrive® and Dropbox™, and access to additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct.

INTRODUCING TOUCHSCREEN SUPERIORITY.

Meet the industry's most advanced colour touchscreen interface. Whether 7-inch (B615) or 5-inch (B610), it's a user experience that sets a higher standard for customisation, personalisation and versatility.

By presenting a familiar "mobile" experience – with support for gestural input and task-focused apps that share a common look and feel – fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and centre. Don't like where a function or app is located? Customise the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink B610 Printer and VersaLink B615 Multifunction Printer get more work done, faster.
