

Xerox® VersaLink® C400 Key Features

Revolutionary. Future-proof.

Value-packed.

The VersaLink C400 revolutionizes workplace productivity with next generation features and easy, instant cloud and mobile connectivity. Built for the way you work today, and ready for where you grow tomorrow—with all the flexibility and versatility your business needs to work better with minimal IT support and maximum security.

Powerful performance and peace of mind.

Right out of the box, you'll count on your VersaLink C400 to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go—hassle free.

VersaLink devices are loaded with features and time-saving Xerox technologies designed to speed up information sharing and reduce inefficient workflows.

When it comes to safeguarding critical documents and data, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

With the VersaLink C400, you can be confident that your documents will look their best—making you look your best—giving you the confidence you need when presenting to your customers.

Easy, efficient and entirely new.

With the customizable, capacitive 5-inch color touchscreen, you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Xerox® ConnectKey® Apps help optimize office efficiency, and on-screen access to the extensive Xerox® App Gallery provides expanded functionality.

With Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure access to task-specific presets, individualized favorite contacts, and commonly used apps on a personalized home screen.

Freedom, and app-based functionality.

The VersaLink C400 Color Printer gives you the freedom to work where and how you want—with out-of-the-box direct connectivity to Google Drive™, Microsoft® OneDrive® and DropBox™, and access to additional options through the Xerox® App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with optional Wi-Fi and Wi-Fi Direct, plus Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®.

Introducing mobile device-like touchscreen superiority.

Meet our all-new, 5-inch color touchscreen—the user interface that sets a higher standard for customization, ease of use and versatility.

By presenting a familiar “mobile” experience—with support for gestural input and task-focused apps that share a common look and feel—fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software smarts helps everyone who interacts with the VersaLink® C400 get more work done, faster. Try our new UI at www.xerox.com/VersaLinkUI.
