Xerox® VersaLink®
Colour Printers

Smart, reliable and performance-ready.
Xerox® VersaLink® C7000 Colour Printer

When you need your work to stand out from the rest, count on the VersaLink C7000 Colour Printer – featuring Xerox® ConnectKey Technology. Ready for the way you want to work, the C7000 is mobile-ready, app-enabled and ready to customise.

FLAWLESS RELIABILITY. SUPERIOR PERFORMANCE.

Count on your Xerox® VersaLink C7000 Colour Printer to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you’re ready to go – hassle free.

Superior reliability comes from a new hardware design features fewer moving parts, strengthened paper-path components, and an advanced imaging system.

VersaLink devices are loaded with features designed to reduce inefficiency. Device management and user training can be done anywhere with the time-saving Remote Control Panel.

The most security-minded businesses and governments choose Xerox. We offer a comprehensive approach to print security that includes a powerful mix of built-in features and services that mitigate risk through a vigorous focus to prevent unauthorised access, detect suspect or malicious behaviour, and protect data and documents.

A print resolution of up to 1200 x 2400 dpi delivers sharp text and fine line detail, plus exceptional color vibrancy that enhances business communications – even on oversize media.

CLOUD CONNECTED. PERSONALISED EFFICIENCY.

The customisable capacitive 5-inch colour touchscreen lets you breeze through tasks and functions with mobile-like ease.

Users on the go get more done in less time with native @printbyXerox support. They simply submit their print job from any email-enabled device. Once at work, they securely login to on the @printbyXerox on the VersaLink C7000 to retrieve their job. And with Simple ID, individual users and groups enter a user ID and password once to experience fast, secure access to task-specific presets, individualised favourite contacts, and commonly used apps on a personalised home screen.

Whether your documents are colour or black and white, letter-size or oversize, the VersaLink C7000 Colour Printer has the power and features you need to handle even the most challenging print jobs.

MOBILE FREEDOM. READY FOR THE WAY YOU WORK.

The VersaLink C7000 Colour Printer gives you the freedom to work where and how you want – with access to Google Drive™, Microsoft® OneDrive® and DropBox™, and additional options through the Xerox App Gallery.

VersaLink devices deliver for today’s mobile workers with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Services plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct.

Learn more about why Xerox is the only choice for today’s mobile professionals by visiting www.xerox.com/Mobile.

ENVIRONMENTAL STEWARDSHIP.

VersaLink devices meet or exceed the requirements of the world’s most widely recognised certifications for product environmental performance, including EPEAT®, which verifies manufacturer claims regarding design, production, energy use and recycling. (See the complete list of EPEAT-verified VersaLink products.) For more information about our environmental, health, safety and sustainability efforts, visit www.xerox.com.

XEROX® CONNECTKEY® TECHNOLOGY

Intuitive User Experience

A familiar way to interact that includes a tablet-like experience with gesture-based touchscreen controls and easy customisation.

Mobile and Cloud Ready

Instant connectivity to cloud and mobile devices right from the user interface, with access to cloud-hosted services that let you work where, when and how you want.

Benchmark Security

Comprehensive security that includes a powerful mix of built-in features and services to prevent unauthorised access, detect suspect or malicious behaviour, and protect data and documents.

Enables Next Generation Services

Gateway to New Possibilities

Instantly extend your capabilities with real-world apps from the Xerox App Gallery, or talk with one of our partners to design and develop a solution specific to your business needs.

Find out more about how you’ll work smarter at www.ConnectKey.com.

To learn more about VersaLink device features, go to www.xerox.com/VersaLinkEG.
INTRODUCING TOUCHSCREEN SUPERIORITY

Meet our all-new, 5-inch colour touchscreen – the user interface that sets a higher standard for customisation, personalisation and versatility.

By presenting a familiar “mobile” experience – with support for gestural input and task-focused apps that share a common look and feel – fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and centre. Don’t like where a function or app is located? Customise the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink® C7000 Colour Printer get more work done, faster.

MULTIPLE PAPER TRAY OPTIONS TO FIT EVERY NEED:

6 Add the Single Tray Module to increase the total paper capacity to 1,140 sheets (includes Bypass Tray).

7 Choose the optional Single Tray with Stand Module to increase the total paper capacity to 1,140 sheets (includes Bypass Tray) and provides storage for toner cartridges and other supplies.

8 Choose the Three Tray Module to increase the total paper capacity to 2,180 sheets (includes Bypass Tray).

ADD INCREASED VERSATILITY WITH FINISHING OPTIONS:

9 The optional Integrated Office Finisher provides 500-sheet stacking and 50-sheet, single-position stapling without increasing the footprint of the printer.
**ConnectKey**

**VersaLink C7000**

The VersaLink C7000 Colour Printer is built on Xerox® ConnectKey Technology. For more information, visit [www.ConnectKey.com](http://www.ConnectKey.com).
