

Xerox® VersaLink® C8000 Color Printer Key Features

Unrivald Color, Reliability and Performance

When you need professional color, flawless reliability and top productivity in a well-connected printer, count on the VersaLink C8000 Color Printer with Xerox® ConnectKey® Technology. The feature-rich, app-enabled C8000 is ready to be customized as your workplace assistant.

Vibrant color. Big performance. Top reliability.

Right out of the box, you'll count on the Xerox® VersaLink C8000 Color Printer to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards to step-by-step configuration options, you're ready to go—hassle free.

Designed for superior reliability, the VersaLink C8000 Color Printer features a new hardware design with fewer moving parts, strengthened paper path components and an advanced imaging system. VersaLink devices are loaded with features and time-saving Xerox® technologies designed to speed up information sharing and reduce inefficient workflows.

When it comes to safeguarding critical information, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

Count on superior print quality to make your work look its best. A print resolution of up to 1200 x 2400 dpi delivers sharp text and fine line detail, plus exceptional color vibrancy that enhances business communications— even on oversize media.

Intuitive. Powerful. Ready for any job.

With the customizable capacitive 5-inch color touchscreen, you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Get more done in less time by creating customized 1-Touch Apps to automate multi-step workflows for individuals or groups. Simply tap your new app to quickly perform the job you configured. And with Simple ID, individual users and groups enter a user ID and password once and then enjoy fast, secure access to task-specific presets, individualized favorite contacts and commonly used apps on a personalized home screen.

Whether your documents are color or black and white, letter-size or oversize, the VersaLink C8000 Color Printer has the power and features you need to handle even the most challenging print jobs.

Connect to what you want, when you want.

The VersaLink C8000 Color Printer gives you the freedom to work where and how you want. Easily add connectivity to Google Drive™, Microsoft® OneDrive® and Dropbox™, and access additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi® and Wi-Fi Direct®.

Xerox® ConnectKey® Technology—the nexus of your complete productivity ecosystem.

From Xerox—the company that created the modern workplace—we present the next revolution in workplace productivity. With a consistent user experience across a wide range of devices, mobile and cloud connectivity and a growing library of apps to expand functionality, you'll work faster, better and smarter.

Intuitive User Experience

An entirely new—and yet entirely familiar way to interact that includes a tablet-like experience with gesture-based touchscreen controls and easy customization.

Mobile and Cloud Ready

Instant connectivity to cloud and mobile devices right from the user interface, with access to pre-loaded, cloud-hosted services that let you work where, when and how you want.

Benchmark Security

Full multi-level protection for both documents and data, ready to guard against and eliminate emerging threats and meet or exceed regulatory compliance.

Enables Next Generation Services

Work more efficiently and manage resources more effectively. Easy integration of Xerox® Managed Print Services enables remote monitoring of service delivery and consumables..

Gateway to New Possibilities

Instantly extend your capabilities with access to the Xerox App Gallery, featuring real-world apps designed to optimize digital workflows. Commission our network of partners to design innovative, business-specific solutions.

Find out more about how you'll work smarter at www.connectkey.com.

Introducing mobile device-like touchscreen superiority.

Meet our all-new, 5-inch color touchscreen—the user interface that sets a higher standard for customization, personalization and versatility.

By presenting a familiar “mobile” experience—with support for gestural input and task-focused apps that share a common look and feel—fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software smarts helps everyone who interacts with the VersaLink® C8000 get more work done, faster. Try our new UI at www.xerox.com/VersaLinkUI.
