| Fonts | <p>PostScript fonts: 136 PCL fonts: 83</p> |
| Xerox® Mobile Express Driver® | <p>Makes it easy for mobile users to find, use and manage Xerox® and non-Xerox® devices in every new location. Plug into a new network, and Mobile Express Driver automatically discovers available printers and provides status and capability information. Save a list of “favorite” printers for each location, store application print settings for use on any printer in any network, and greatly reduce mobile support calls to IT.</p> |
| Xerox® Global Print Driver® | <p>A truly universal print driver that lets IT administrators install, upgrade and manage Xerox® and non-Xerox® devices from a single driver. It provides a consistent, easy-to-use interface for end-users, reducing the number of support calls, and simplifying print services management.</p> |
| Xerox® Pull Print Driver | <p>Makes it easy for IT managers to qualify, deploy and manage all print devices using a single driver in a Pull Print environment. Uses a single queue and single driver. The Xerox® Pull Print Driver extends convenience across a broad range of printing assets. IT administrators no longer need to manage and configure multiple drivers. Used in conjunction with Equitrac Office®, Ysoft® SafeQ®, Pharos® and others.</p> |
| Mobile Solutions and Mobile Device Apps | |
| Apple® AirPrint® | <p>Print email, photos and important office documents directly from an Apple iPhone® or iPad® with no drivers to install and no cables to connect. With AirPrint, an iPhone or iPad automatically locates and connects to the AirPrint-enabled device over the office Wi-Fi network.</p> |
| Google Cloud Print™ | <p>Google Cloud Print connects print devices to the web, enabling users to print the applications they use every day from smartphones, tablets, Chromebook™ notebook computers and any other web-connected device.</p> |
| Mopria® Certified | <p>ConnectKey® Technology-enabled print devices are Mopria® certified. Mopria certification ensures you can print wirelessly from your Mopria supported (Android™) smartphone, tablet and other mobile devices instantly and easily.</p> |
| @PrintByXerox | <p>@PrintByXerox is a free service that allows secure printing from any email-enabled device (computer, phone, tablet, iOS, Android™, Google® Chromebook™ and more) to a Xerox® printer or MFP using a single email address with no IT intervention. No training is needed. End-users simply send attachments to the email address and release them at the MFP panel.</p> |
| Xerox® Print Service Plug-in for Android™ (Free at Google Play™ Store) | <p>The Xerox® Print Service Plug-in for Android KitKat (4.4 or greater) devices streamlines mobile printing without third-party apps or additional print drivers. You can easily print photos, Web pages and documents when your mobile device is connected to printers using a wireless network. A robust print option set includes two-sided printing, stapling and secure code release. A free download is available from the Google Play™ store.</p> |
| Xerox® Workplace Suite and Xerox® Workplace Cloud | <p>Xerox® Workplace Solutions boost productivity and reduce costs with a modular print management and mobility solution. Control and manage your printer fleet while enabling mobile productivity with simplified workflows, convenience and security—for any brand printer, anywhere. Xerox® Workplace Solutions offer flexible license options to suit any size business with the ability to scale as you grow.</p> <ul style="list-style-type: none"> • Xerox® Workplace Suite: On site, your server • Xerox® Workplace Cloud: Simple setup, cloud administration <p>To learn more about the Xerox® Workplace Suite and Xerox® Workplace Cloud, visit www.xerox.com/Mobility.</p> |
