Print. Copy. Scan.

All of your business-critical office functions in one affordable device.

Cost-saving features

- Low-cost, 3-in-1 functionality saves space and money by consolidating existing standalone devices.
- Power Save and Toner Save modes help you spend less on electricity and consumables.
- For greater cost control, Multiple Account Mode allows up to 10 password-protected user accounts with individual copy-job limits.

Streamlined performance

- Get more work done with a fast 20 ppm device.
- Built-in scanning reduces paper clutter and gets your office digitally organized.
- Paper capacity of up to 800 sheets means fewer interruptions to reload paper and greater media handling versatility.
- Increase workgroup productivity with shared printing, enabled through 3rd party devices.

Ease of use

- Walkup functions and features at the touch of a button.
- A centre output tray helps the device fit easily in tight spaces.
- High-end features like N-up and ID Card Copy simplify work processes.
- Designed for fast and simple installation and set-up.

¹ Average standard pages. Declared Yield in accordance with ISO/IEC 19752. Yield will vary based on image, area coverage and print mode.
² Approximate pages. Declared yield based on an average job size of 3 pages letter/A4-size. Yield will vary based on job run length, media size and orientation.
