

Xerox® Wireless Print Solutions Adapter

Your modern workflow connector.

Add wireless connectivity to any Ethernet-compatible printer or multifunction printer (MFP) that needs it. The Xerox® Wireless Print Solutions Adapter seamlessly connects your Xerox® printer or MFP to modern mobile and desktop workflows, regardless of your office environment.

The Xerox® Wireless Print Solutions Adapter is your choice when:

- Your printer or MFP is not connected to a network but you want the ability to print from mobile devices.
- You need to bridge Wi-Fi connectivity with a traditional hardwire network.
- You want Google Cloud Print™ 2.0¹, Mopria® or NFC² tap-to-pair capabilities.
- You own a Xerox® printer or MFP without embedded Apple® AirPrint® support and want to add AirPrint^{1,3} compatibility.
- You want Wi-Fi Direct, which lets you connect your computer or mobile device to your printer or MFP wirelessly without the need for an access point or existing Wi-Fi network.
- You need performance that comes from the cutting-edge Wi-Fi 802.11ac standard, which ensures data transfer that's almost twice as fast as existing 802.11n devices.

Easy to Install, Manage and Use

- Add wireless capability to any Ethernet-compatible print device. Just connect the Xerox® Wireless Print Solutions Adapter via the included Ethernet cable, plug in to a power source and follow the simple steps in the installation guide.
- True wireless bridging means no disrupting your current capabilities, such as network printing and scanning, LAN fax, fax forward to email, and web-based print-device management.
- Easily connect, configure and manage the Xerox® Wireless Print Solutions Adapter remotely from any Web browser.
- The small size enables unobtrusive placement next to your printer or MFP. Or, attach it directly to the print device with the included Velcro® brand fasteners.

Superior Security

- The Xerox® Wireless Print Solutions Adapter features 256-bit encryption and supports advanced wireless security protocols, including WPA2™ Enterprise, HTTPS, and industry-standard 802.1X authentication.
- A metal-backed security slot provides an important theft deterrent when secured with a compatible Kensington® or similar third-party lock.

¹ Print device requires Adobe® PostScript® compatibility.

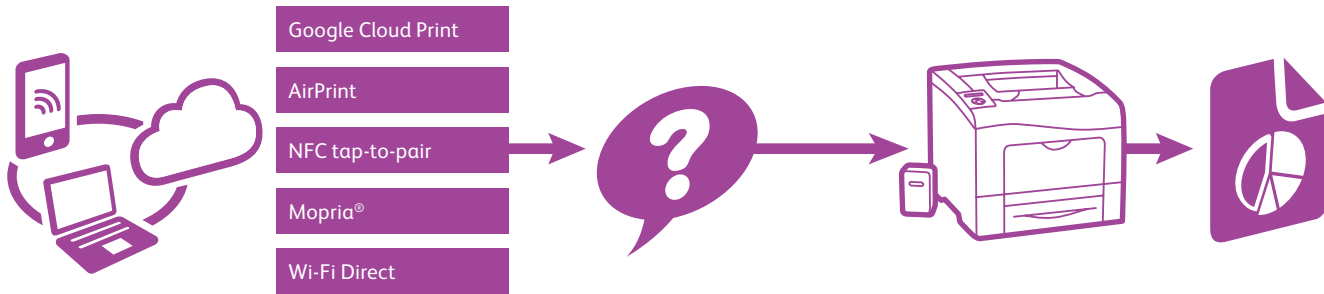

² Requires the Xerox® Print Service Plug-in for Android (available at the Google Play Store).

³ The Xerox® Wireless Print Solutions Adapter's AirPrint functionality works with all Xerox® printers and MFPs that natively support AirPrint, and enables AirPrint on older Xerox® devices listed on the reverse that do not natively support AirPrint.

Xerox® Wireless Print Solutions Adapter

The Xerox® Wireless Print Solutions Adapter makes legacy printers and MFPs compatible with modern workflows.

Modern workflows demand wireless printing.
But your office print device doesn't have Wi-Fi...

...what to do?

Add the Xerox®
Wireless Print
Solutions Adapter...

...and print the
office documents
you rely on to stay
productive.

General Compatibility	
The Xerox® Wireless Print Solutions Adapter is intended for any Ethernet-compatible Xerox® printer or MFP that could benefit from modern workflows enabled by Wi-Fi connectivity. It is particularly useful when paired with print devices that are not on a traditional network or where a LAN is not bridged to a Wi-Fi network.	
Google Cloud Print Compatibility	
The Xerox® Wireless Print Solutions Adapter enables Google Cloud Print on Xerox printers and MFPs that do not natively support it, and is compatible with print devices that feature native Google Cloud Print ⁴ compatibility.	
AirPrint Compatibility	
AirPrint compatibility is limited to Xerox® printers and MFPs that natively support AirPrint ⁴ , as well as the following devices without native AirPrint support:	
Xerox® ColorQube® 8570/8870	Phaser® 8560MFP
Xerox® Phaser® 3320	Phaser® 8860
Phaser® 3635MFP	Phaser® 8860MFP
Phaser® 4600/4620	Xerox® WorkCentre® 3315/3325
Phaser® 5550	WorkCentre® 3550
Phaser® 6500	WorkCentre® 4250
Phaser® 6700	WorkCentre® 4260
Phaser® 7100	WorkCentre® 6400
Phaser® 7500	WorkCentre® 6505
Phaser® 7760	WorkCentre® 5325/5330/5335
Phaser® 7800	WorkCentre® 5735/5740/5745/5755
Phaser® 8560	WorkCentre® 7525/7530/7535/7545/7556

Device Specifications	Xerox® Wireless Print Solutions Adapter
Mobile Printing Features	Apple® AirPrint®, Google Cloud Print™ v2.0, Mopria®
Connectivity	Ethernet 10/100/1000, Wi-Fi Dual Band b/g/n/ac, NFC, Wi-Fi Direct®
System Management	Cloning Support, Certificate Management, Web UI Portal, Admin Login, Xerox® CentreWare® IS Firmware Updates, Networking Diagnostics (Ping, Routing, DNS Lookup, Traceroute), WLAN Profile Management, Device Logging, Restore to Default
Security	256-bit Encryption, HTTPS, SSLv3 (TLS1.2), WPA™/WPA2™ Personal and Enterprise: EAP-TLS, EAP-TTLS, PEAPv0/MS-CHAPv2, PEAP-TLS, PSK, WEP: Static Keys (40- and 128-bit), Dynamic Keys with 802.1X authentication (TLS, TTLS, PEAP), Dynamic Keys with LEAP, Wi-Fi Protected Setup™
Software Certifications	Wi-Fi Alliance®, Apple AirPrint, Mopria®, Google Cloud Print, IPv6 Ready
Dimensions (W x H x D)	2.75 x 1 x 4.5 in. / 69.85 x 25.4 x 114.3 mm
Power Supply	Input 100–240V, 50/60 Hz, 0.2A; Output 5V DC, 1.0A
